Are you... really dead?
Mom...
Mom ...!!

Can't I save her...!?
ガシッ
Why else do I have these reruns!?
Come on...!
When else is it going to come!?
It's coming now, right!?
Oh yeah, I have my reruns...
Come on!
Come on!

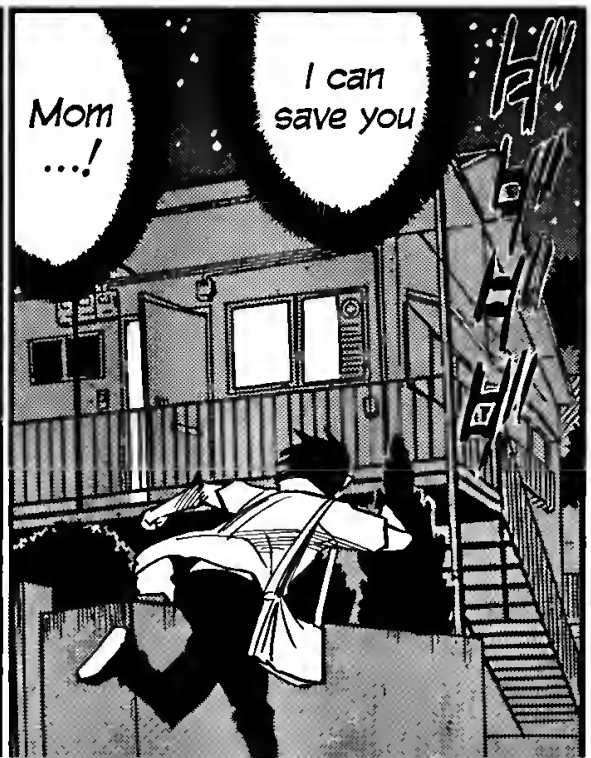
It's a rerun!
I really came back
I can save her!!

I'm coming to save you right now!



Mom ...!
I can save you

Mom!

!!
What!?
What's with this rerun!?
Go back!
Go back even further!
Dam-mit!!

...My reruns always brought me back before the incident...
This time it's after Mom died
This means that I can't make it in time no matter what...
Why can't I go further back!?
What now?
What should I do...?
I think... she died about five minutes ago
I can't save her
Is there... something else...?
.....?

That's right! The killer...

Is he outside ...?
Or inside ...?
He's outside ...!

DAMN!!

I...
was so stupid...!
He was right in front of me...

Mom...
I promise... that I'll find
whoever did this to you...!!

I need to...
calm down and think...
I let my guard down just because he was close by...
I thought that I could catch him
That guy knew the land very well...!
More important than that...
Why was Mom killed?
It must have something to do with yesterday's incident...!
He was eliminating a witness...
F
This means that he followed us all the way back home
...This means that

he might come after me or Airi...?
If he followed us back to my place,
then that's not out of the ques-tion...
.....
... But...
then why didn't he hide in my place?
He could've easily killed me
Why did he hide in the landlady's garden?
If he wasn't planning to kill me, then why didn't he make his getaway?

Clever bastard...!
He committed a murder and prepared someone to pin it on...!
Objectively speaking, I should be the prime suspect
The landlady must've thought that I was running away...!
Shit I gotta run away...
If I get caught now, the police is going to think that I'm the killer
What are you doing here?
どきん

A cop ...!?
Shit ...!
Fuck
Now I'm even going to get charged with murder?
This isn't funny
I have to run away...
until I can find the killer
Hey ...
Come on... Rerun!!
How can I get out of this...!?
Not a half-assed one like that last one...!!
Go back!
Back!
Go back as far as possible ...!!
Back!!

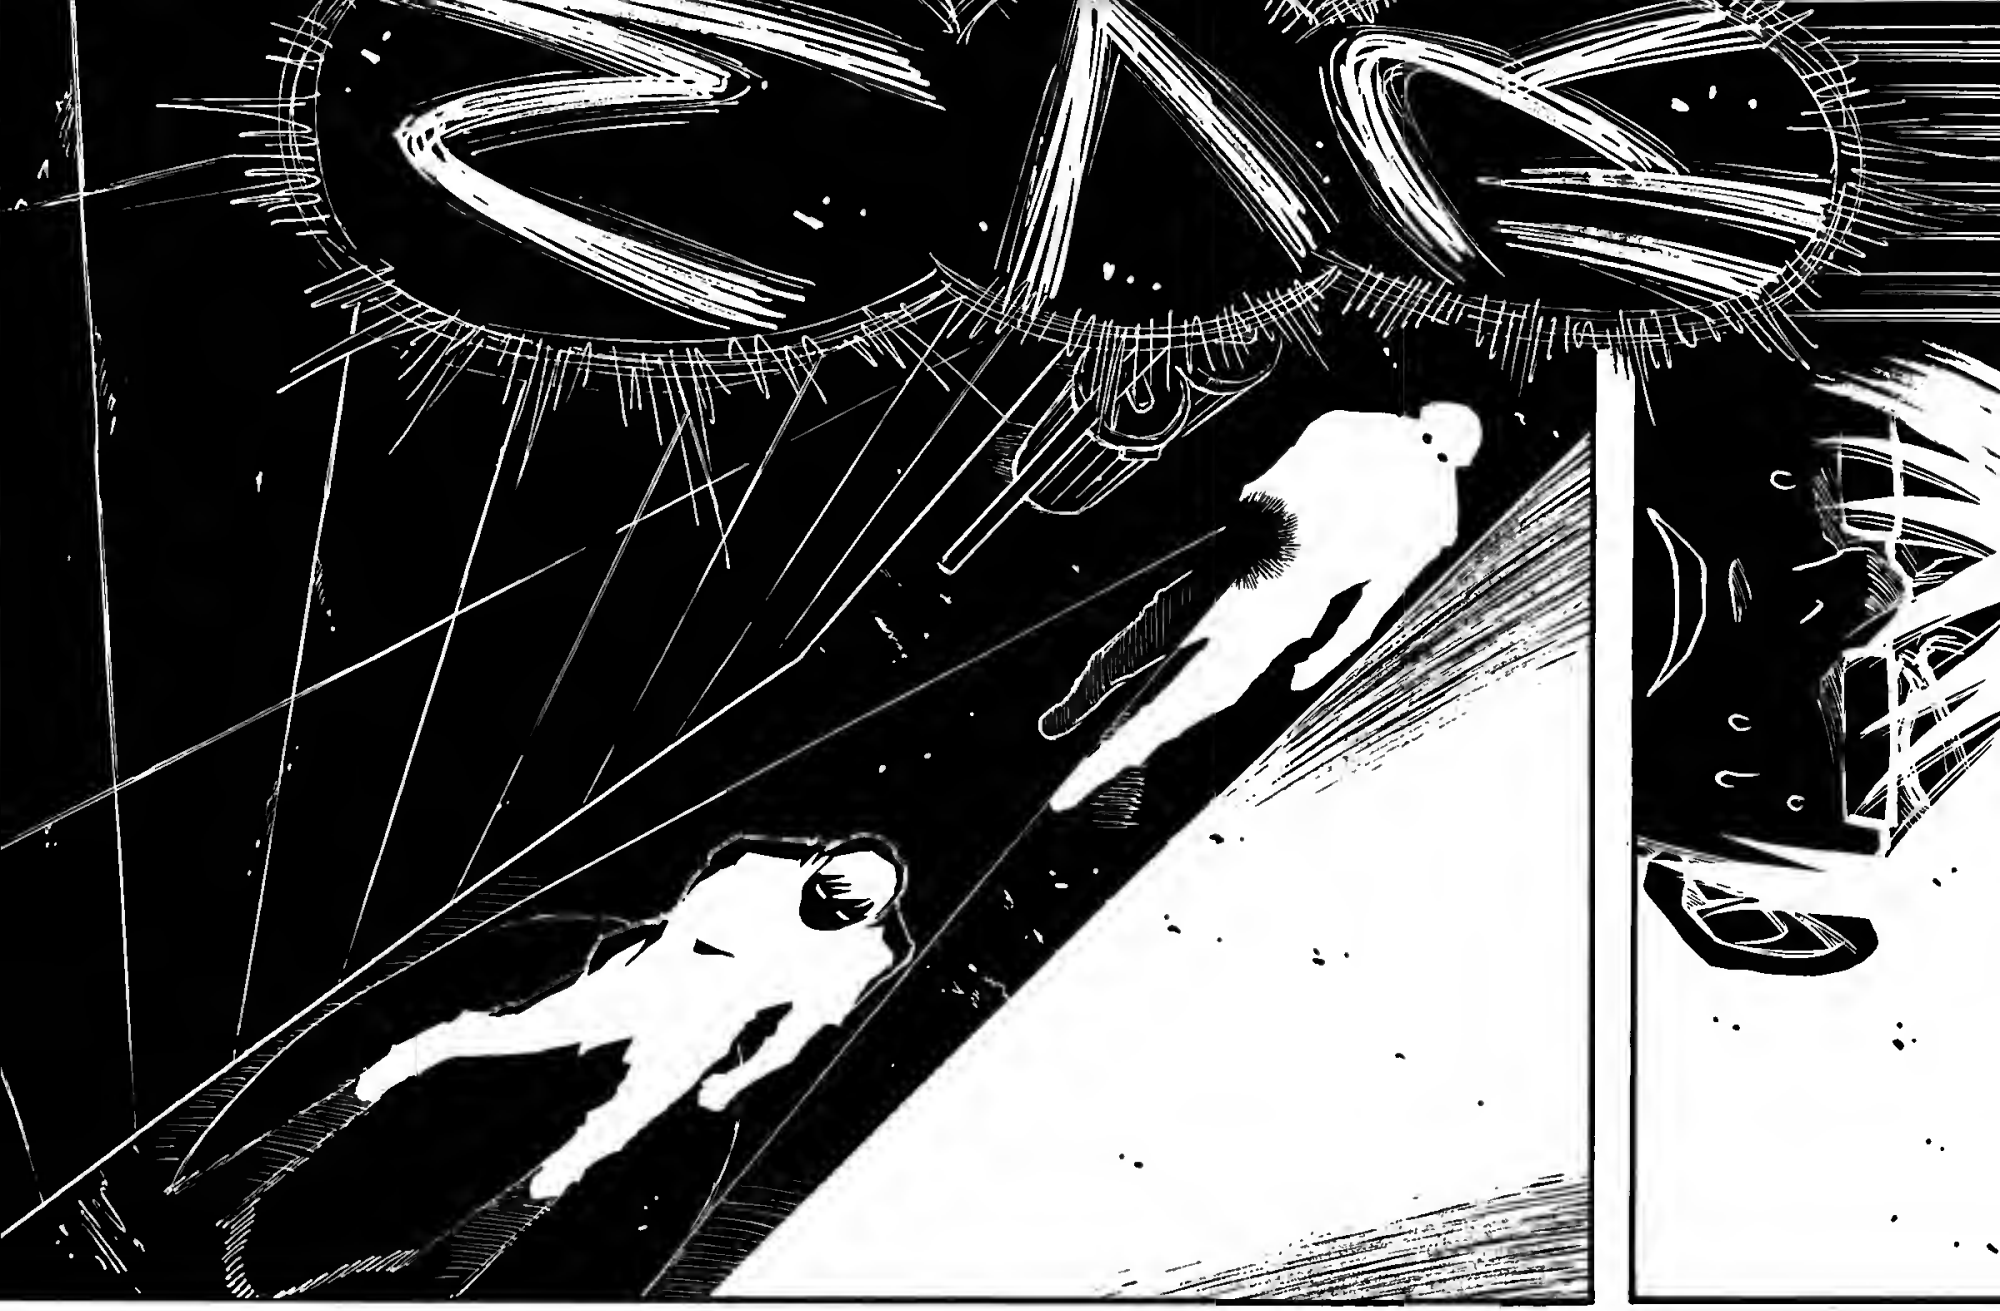
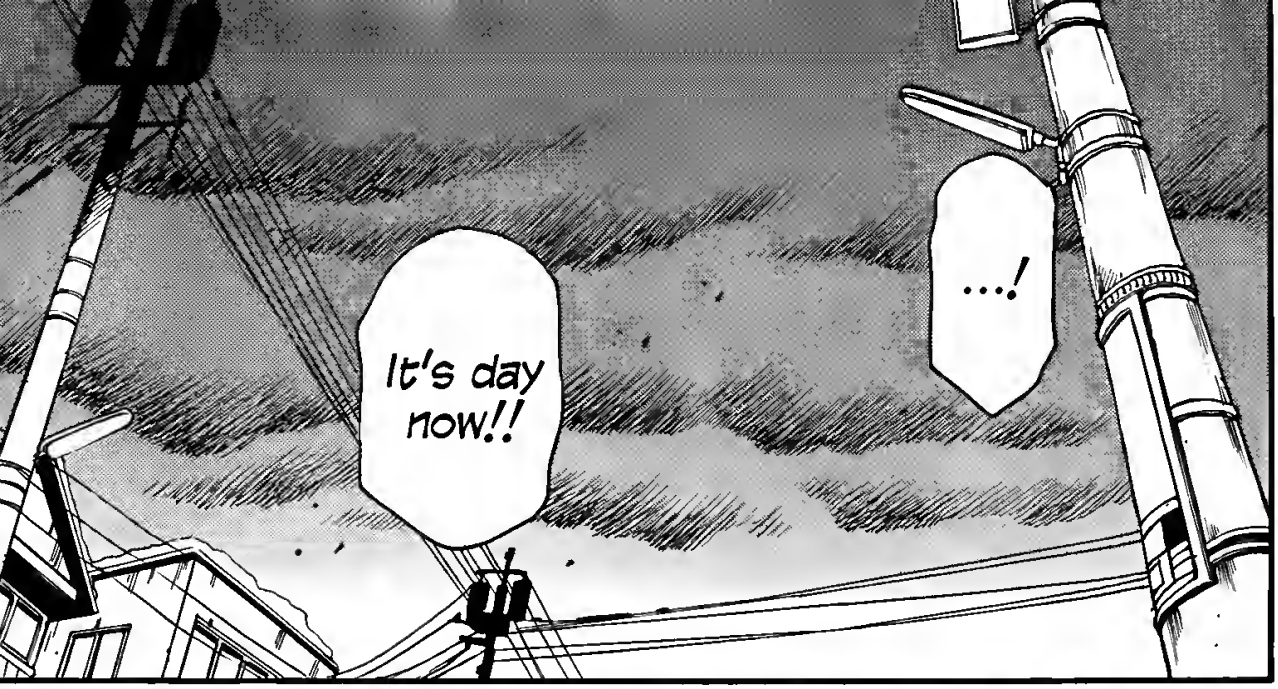
Go back!!





It's day now!!
